Free “Stay Connected” Sessions

PHASE 2

LEARNING

Training isn't just important to any organisation, it is essential. No matter what point you are at in your career, you will always need to acquire, develop, strengthen, or update your skills.

Hot on the heels of a very successful first phase of online sessions, Scotland Excel now offers a second phase of **FREE** online interactive 1 hour programs to help you on your lifelong learning journey.

In this phase we will provide short on-line sessions on:

Procurement

Project Management

Leadership & Management

Coaching & Mentoring

Skills Analysis

Stakeholder Management

Due to the high demand in Phase 1, we have increased the delegate capacity for each session. We also have some guest presenters from Scottish Government¹, Improvement Service² and East Renfrewshire Council³.

The **FREE** sessions can be accessed on your laptop, tablet or phone. The session dates are listed overleaf. Each 1 hour session can be recorded in your CPD portfolio.
