The Campaign – Hello Again World

- Loneliness can be detrimental for our physical and mental health, while reconnecting with others has numerous physical and mental health benefits.
- Healthy Ireland has developed a nationwide campaign to combat the growing pandemic of loneliness, aimed older people who may not have not re-integrated into their communities following Covid.
- Message - Post-pandemic, with vaccines and sensible precautions, it is safe for Older People to reconnect with the world.
- Message - Say 'Hello Again World', make up for lost time and re-establish important connections with your community.
- This campaign will run from 1 March to 2 April across TV, Radio, and selected Social Media. [View the TV Ad](#)
