

Supporting the routes...

Route Services - how we're helping at Easter

14-17 April 2017

Get Started

Over the Easter bank holiday weekend, Network Rail will be delivering more than 200 projects across Britain as part of its Railway Upgrade Plan. This pack showcases what Route Services are delivering nationwide in support of the routes:

90

Engineering trains

Wagons loaded and unloaded...

tonnes of ballast being delivered

600

tonnes of spoil being removed

Route Services colleagues
supporting works across the weekend

See what we're
doing for each route

1448 yards

of plain line track being laid

Choose a route to find out how
we're supporting that area...
