**Table note**

1. Caution should be taken to make comparisons between forces as variation in is likely to reflect a range of factors including how the force has decided to police non-compliance as well as differences in local context (e.g. composition and density of the local population).
2. Rates for City of London Police is much higher compared with other forces due its small resident population.
3. Excludes the 24 fines issued in Leicestershire since 4th July when the local lockdown came into effect.
