Embark on an epic adventure full of whimsy, wonder, and high-powered weaponry! Bullets, magic, and broadswords collide across this chaotic fantasy world brought to life by the unpredictable Tiny Tina, who makes the rules, changes the world on the fly, and guides players on their journey.

Customize your own multiclass hero and loot, shoot, slash, and cast your way through outlandish monsters and treasure-filled dungeons on a quest to stop the tyrannical Dragon Lord. Everyone's welcome, so join the party, throw on your adventuring boots, and be Chaotic Great!

Features

AN UNPREDICTABLE FANTASY WORLD: Tiny Tina is your disorderly guide through an extraordinary tabletop realm where rules rarely apply. Explore majestic cities, dank mushroom forests, foreboding fortresses, and more, all of which are connected by a vast Overworld.

PERSONALIZE YOUR HERO: Create your own hero with an expansive multiclass system that lets you mix and match six unique character skill trees, all with their own awesome abilities. Level up, refine your build, expand your arsenal, and become the ultimate Fatemaker.

GUNS, SPELLS, AND MORE: Defeat evil with devastating spells, powerful guns, and unique Action Skills in frenetic first-person battles. Use your firepower to vanquish legions of enemies, including smack-talking skeletons, land-roaming sharks, and colossal bosses.

A FANTASTICAL CAST OF CHARACTERS: Joining you for the experience are headstrong captain Valentine (Andy Samberg) and rule-obsessed robot Frette (Wanda Sykes). During your quest to defeat the Dragon Lord (Will Arnett), you'll meet a cast of lovable misfits – like a lute-wielding Bardbarian and your very own Fairy Punchfather – who bring this colorful world to life.

BAND TOGETHER IN CHAOTIC CO-OP: Enjoy the story solo or start a party with up to three friends in seamless online multiplayer or local split-screen. Share the spoils or rush to get the shiniest loot—how you play is up to you!
