Dear Phil

I am writing to you ahead of the end of the strike in Wales to seek further discussions on the current dispute regarding rosters in the SWCC.

I called you after the last action and made clear that we were willing to talk provided there was no strike action laid down and talks were scheduled for 30 December. Regrettably a new strike was announced within 24 hours and the talks did not take place. That offer remains open and I will contact you on Monday to seek to make the appropriate arrangements.

I remain committed to seeking a resolution to this issue and would urge your union to allow sufficient time for talks, rather than revert to strike action which cannot resolve the dispute.

Yours sincerely

Chris Rayner
