Scottish Natural Heritage & Rachel Mimiec

Would like to invite you to a 'wee gathering' at
Glencoe Village Hall Monday 23rd June at 7pm
to celebrate the end of her residency and to share the work she has
created, a unique series of maps in response to the Ben Nevis and
Glen Coe National Scenic Area.

Everybody who was Rachel's guide or supported her during the
residency will be gifted a map.

The residency was supported by Creative Scotland and SNH as part
of the Year of Natural Scotland 2013.
