

## Meet the Buyer Event

**23<sup>rd</sup> October 2019, 9am – 5pm**

**@Taffs Well Rugby Club**

**CF15 7JD**

Griffiths are keen to engage with local suppliers to support the delivery of two significant packages of work for Transport for Wales:

- Taffs Well Integrated Control Centre and Enabling Works
- Construction and Modernisation of Stations on Core Valley Lines

Suppliers are encouraged to call into our Meet the Buyer Event to meet members of our Delivery Teams, discuss opportunities and complete our Supplier Pre-Qualification Questionnaire.

Business Wales will also be in attendance to provide training and support for attendees wishing to complete our Questionnaire.

This is an informal drop-in event, with no appointments necessary.

To register, please visit <https://wales.business-events.org.uk/en/events/transport-for-wales-alun-griffiths-contractors-ltd-meet-the-buyer-event/>
