

# Line Closures

## Sunday 8 July

**Buses replace trains between Three Bridges and Brighton and Three Bridges and Lewes**

Essential engineering work is taking place closing all lines.

Buses replace trains

### **Routes affected:**

Southern between London Victoria and Brighton / Ore / Littlehampton and also between Haywards Heath and Eastbourne Thameslink between Bedford / London Bridge and Brighton

### **Trains will be amended as follows:**

- Bedford / London Bridge and Brighton services will not run between Three Bridges and Brighton
- London Victoria to Brighton services will be diverted after Three Bridges, not calling at stations via Haywards Heath, but calling additionally at Horsham, Littlehampton, Angmering, Worthing, Shoreham-by-Sea and Hove
- London Victoria to Hastings / Ore services will operate between London Victoria and Three Bridges
- London Victoria to Littlehampton (via Hove) services will operate between London Victoria and Three Bridges
- An additional train service will operate between Brighton and Hastings / Ore

### **Ticket acceptance:**

Customers may use alternative Southern services via any reasonable route.

**Replacement buses are expected to be very busy. If you are travelling between Brighton and London please use the diverted trains via Littlehampton.**
